LIFT EX PNEUMATIC FORKLIFT TIRE

A Pneumatic Material Handling Tire engineered for heavy duty use on forklift trucks and other industrial vehicles. These tires have a large footprint and a tread that assures optimal traction under every condition. The sidewalls are enhanced by multiple layers of reinforcement and a wide rim guard. The augmented contact area and the reinforced sidewall ensures high load carrying capacity.

LIFT EX is best suited for...

- High abrasion resistance
- Maximum stability, safety and comfort
- Heavy Duty Construction
- Extremely low rolling resistance

LIMITED WARRANTY

All tires manufactured by Global Rubber Industries (Pvt) Ltd. are covered under limited warranty against materials, workmanship and any other manufacturing defects subjected to the usage of these tires under specified conditions. If any tire covered by this warranty is identified as unserviceable tire due to a material / workmanship /any other manufacturing defect, we will either repair the tire or make an allowance on purchase of new tire as per the current price of a new tire by the percentage of original tread worn off at the time of making the claim.

The cost of transportation, service, and sales tax already paid will be borne by the owner of the claimed tire. This limited warranty is made for the exclusive benefit of the tire owner actually using the product. No other warranty of liability, expressed or implied, is applicable to this limited warranty or to our products.

Business today is complex, ambiguous and uncertain – a little like life itself. To help you advance and attain your goals, you need something that is completely the opposite. GRI tires are robustly engineered and relentlessly tested to give you assured performance, so you can get a grip on things that really matter to you. Whatever your ambition, GRI will get you there.
