ULTIMATE **XT** POB

STANDARD

MATERIAL HANDLING TIRES

ULTIMATE XT

PRESS ON BAND (POB) TIRES

ULTIMATE XT pob high quality abrasion and tear resistant tread of a perfected natural rubber compound is vulcanized onto a precision band using a new 'global-lock' bonding process, which virtually locks the rubber to steel base bands. ULTIMATE XT POB is a state of the art cushion tire built for long running hours, reduced downtime and increased load capacity.

ENERGY SAVING

Highest energy saving and efficiency due to extremely low rolling resistance, resulting in very low carbon emissions.

OPERATING TIME

Highest operating time due to reduced heat build-up and very low cost per hour.

LIFE TIME

Exceptional lifetime due to very high abrasion resistance.

CORNERING STABILITY

Maximum cornering stability enabling high level of safety and comfort.

Increased Lug depth for longer tire life

Used global lock bonding process to precision the band.

Tread Compound

Steel Band

GRI produces high-grade specialty tires that are built sustainably using pure natural rubber in Sri Lanka. Founded in 2002, the company produces material handling solid tires, radial agriculture tires and construction tires. GRI has operations in 9 countries, and a business presence in more than 50 countries. In 2018, GRI opened an advanced manufacturing plant in Sri Lanka to produce radial agricultural tires. In 2020, GRI commenced construction of a large mixing facility for tire compounds and in 2021 began further expansion of its advanced specialty tire plant. GRI ensures its commitment to sustainability and environmental protection through all its strategies and processes. Environmentally sustainable growth is our strategic goal, both now and for generations to come.

LIMITED WARRANTY

All tires manufactured by Global Rubber Industries (Pvt) Ltd are covered by limited warranty, which includes cover against material, workmanship and other manufacturing defects subject to the usage of the tires under specified conditions. If any tire covered by this warranty is deemed unserviceable due to aforementioned defects, we will either repair the tire or provide an allowance to purchase a new tire at the current price as a percentage of the worn off tread of the original tire at the time of making the claim.

The cost of transportation, service and paid sales tax will be borne by the owner of the claimed tire. The limited warranty is exclusively applicable to the tire owner who is using the product. No other warranty of liability, expressed or implied, is applicable to the limited warranty or to our products.
